

Country progress report - Mauritania

Global AIDS Monitoring 2017

Contents

Overall - Fast-track targets	3
Commitment 1 - Ensure that 30 million people living with HIV have access to treatment through meeting the 90-90-90 targets by 2020	4
Commitment 2 - Eliminate new HIV infections among children by 2020 while ensuring that 1.6 million children have access to HIV treatment by 2018	7
Commitment 3 - Ensure access to combination prevention options, including pre-exposure prophylaxis, voluntary medical male circumcision, harm reduction and condoms, to at least 90% of people by 2020, especially young women and adolescent girls in high-prevalence countries and key populations—gay men and other men who have sex with men, transgender people, sex workers and their clients, people who inject drugs and prisoners	10
Commitment 4 - Eliminate gender inequalities and end all forms of violence and discrimination against women and girls, people living with HIV and key populations by 2020	12

Commitment 5 - Ensure that 90% of young people have the skills, knowledge and capacity to protect themselves from HIV and have access to sexual and reproductive health services by 2020, in order to reduce the number of new HIV infections among adolescent girls and young women to below 100 000 per year	14
Commitment 6 - Ensure that 75% of people living with, at risk of and affected by HIV benefit from HIV-sensitive social protection by 2020	15
Commitment 7 - Ensure that at least 30% of all service delivery is community-led by 2020	16
Commitment 8 - Ensure that HIV investments increase to US\$ 26 billion by 2020, including a quarter for HIV prevention and 6% for social enablers	17
Commitment 9 - Empower people living with, at risk of and affected by HIV to know their rights and to access justice and legal services to prevent and challenge violations of human rights	18
Commitment 10 - Commit to taking AIDS out of isolation through people-centered systems to improve universal health coverage, including treatment for tuberculosis, cervical cancer and hepatitis B and C	19

Overall

Fast-track targets

Progress summary

Participer à l'atteinte de trois zéros: Zero discrimination, Zero nouvelle infection VIH et Zero décès lié au VIH/Sida.

3.1 HIV incidence, Mauritania (2015-2016)

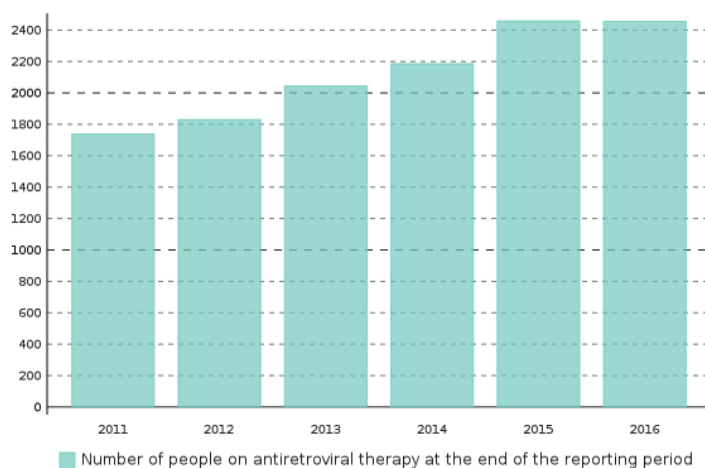

Commitment 1

Ensure that 30 million people living with HIV have access to treatment through meeting the 90-90-90 targets by 2020

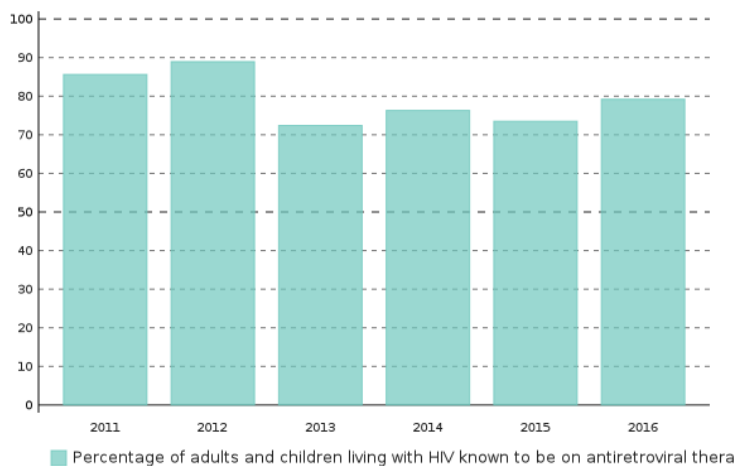

Progress summary

Garantir l'accès des 90% des populations infectées au dépistage VIH et mettre 90% parmi les patients dépistés séropositifs sous traitement ARV et rendre la charge virale indétectable chez 90% des patients mis sous ARV.

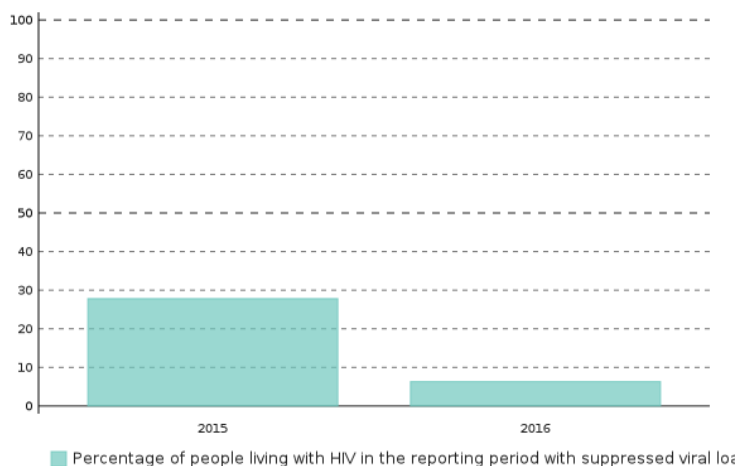

1.2 People living with HIV on antiretroviral therapy, Mauritania (2011-2016)

1.3 Retention on antiretroviral therapy at 12 months, Mauritania (2011-2016)

1.4 People living with HIV who have suppressed viral loads, Mauritania (2015-2016)

1.5 Late HIV diagnosis, Mauritania (2016)

■ Percentage of people living with HIV with the initial CD4 cell count <200 cells/l

1.6 Antiretroviral medicine stock-outs, Mauritania (2016)

■ Percentage of treatment sites that had a stock-out of one or more required antiretroviral medicines

Commitment 2

Eliminate new HIV infections among children by 2020 while ensuring that 1.6 million children have access to HIV treatment by 2018

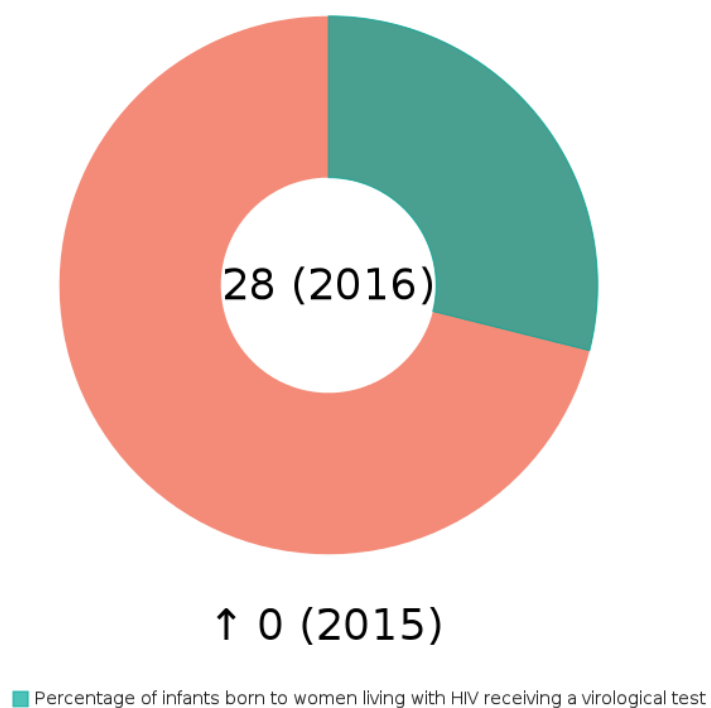

Progress summary

Éliminer les nouvelles infections à VIH chez les enfants à travers la mise en place d'une vraie politique eTME;

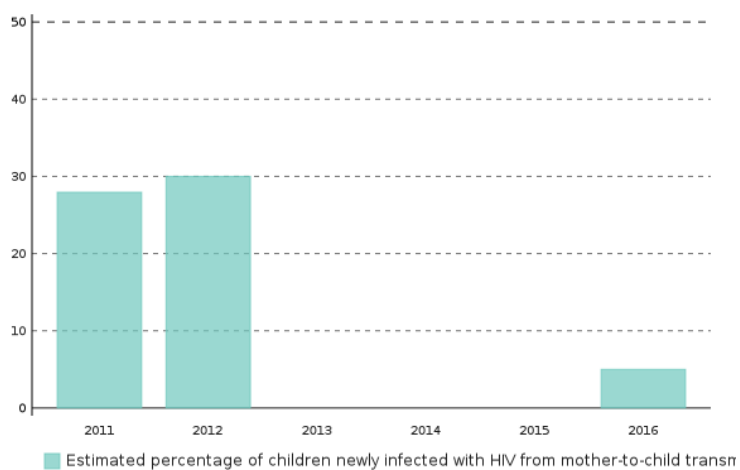

2.1 Early infant diagnosis, Mauritania (2011-2016)

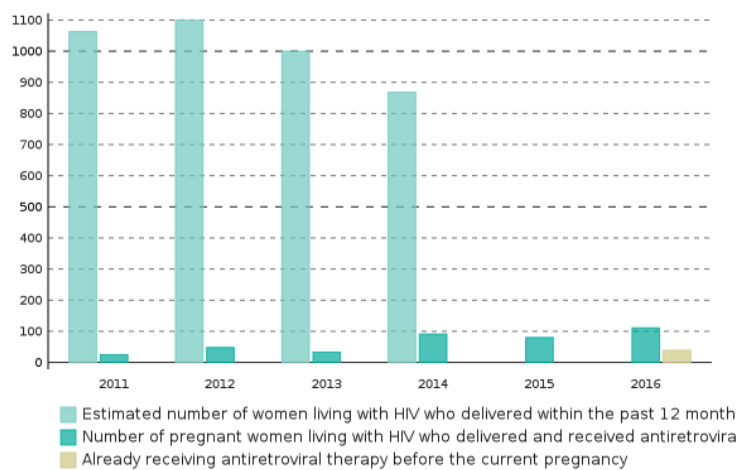

2.1 Early infant diagnosis, Mauritania (2015-2016)

2.2 Mother-to-child transmission of HIV, Mauritania (2016)

2.3 Preventing the mother-to-child transmission of HIV, Mauritania (2011-2016)

Commitment 3

Ensure access to combination prevention options, including pre-exposure prophylaxis, voluntary medical male circumcision, harm reduction and condoms, to at least 90% of people by 2020, especially young women and adolescent girls in high-prevalence countries and key populations—gay men and other men who have sex with men, transgender people, sex workers and their clients, people who inject drugs and prisoners

Policy questions: Key populations

Criminalization and/or prosecution of key populations

Transgender people

-
